# Chapter 1

## Notion Installation

### 1.1 Downloading Notion from Internet

1. Go to any Browser (in my case, it's **Microsoft Edge**)
2. Type ***Notion*** & press *Enter*.
3. Click on the ***Notion*** <https://www.notion.so/>

4. On the header section, hover on **Downloads** & select installation type as per your OS. As my PC has **Windows 10** as OS, hence I choose Windows option.

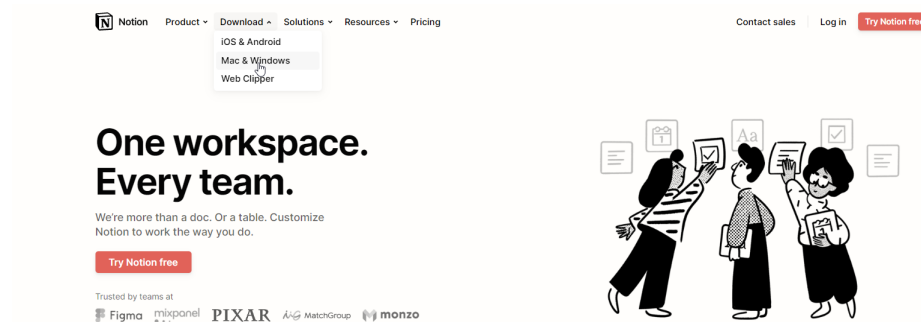

Figure 1.2: Click on Windows option

5. Now click on **Downloads for Windows** option & it will start downloading.

# Chapter 2

## Setting up Notion

### 2.1 Signing-Up of Notion

1. Sign-up using any of the option provided. I will be using separate email-id.

2. As you provide valid Email-id then you will get *signup code*, so enter it & click on **Create New Account**.

The screenshot shows the Notion sign-up interface. At the top, it says "Welcome to Notion" and "Log in to sync your content." Below this are two buttons: "Continue with Google" and "Continue with Apple". Underneath these is an "Email" input field, which is highlighted with a red box. Below the email field, a message states: "We just sent you a temporary sign up code. Please check your inbox and paste the sign up code below." This is followed by a "Sign up code" input field, which is also highlighted with a red box and contains the text "igon-laehu-htraq-syraq". Below the code field is a "Create new account" button, also highlighted with a red box. To the right of the code field, a red box contains the text "Enter the code sent in your inbox of the Email-ID you entered." At the bottom, there is a link to "continue with SAML SSO" and a footer with legal disclaimers and links to "Need help?", "Privacy & Terms", and "© 2023 Notion Labs, Inc."

5. If you want Notion to customise itself, then provide your role or else you can simply skip it.

The screenshot shows the Notion onboarding interface. At the top, the window title is 'Notion'. The main heading is 'Tell us about yourself' with a subtext 'We'll customize your Notion experience based on your choice.' Below this, there are three questions, each with a dropdown menu:

- What kind of work do you do?  
Select response
- What is your role?  
Select response
- What are you planning to do in Notion?  
Choose one or more...

At the bottom of the form, there is a blue 'Continue' button and a 'Skip' link. In the bottom left corner, there is a small cartoon character of a person with long dark hair, wearing a striped shirt and dark pants, pointing towards the form.
